## A Message from Holy Trinity & St Mary's...

Welcome to Holy Trinity & St Mary's and thank you for enquiring about having your child or children baptised in our churches. We are thrilled that you are thinking of baptism for your child. Taking this step marks the beginning of what we pray will be a life-long journey of discovery of the love of God in Jesus Christ as members of God's family.

A child's baptism brings them into the world-wide community of Christian people known as the Church – the group of people learning what it means to respond to the invitation of Jesus to "Follow me." At a baptism, parents and godparents make some simple but profound promises of Christian commitment on behalf of the children they bring to baptism:

I turn to Christ.

I repent of my sins.

I renounce evil.

God gives to every baptised person the gift of his love and his presence in their lives in response to these words of faith. We hope you find that love at Holy Trinity & St Mary's and in this special moment for you and your child.

## Baptism at Holy Trinity & St Mary's?

We are always delighted to carry out baptisms for regular members of our congregation and for people who live within our parish boundaries. If you live outside the parish boundaries, you are welcome to join either Holy Trinity or St Mary's Church and, after you have settled down, we will be pleased to baptise your child.

Alternatively, we are happy to direct you to your local parish church where the baptism can take place.

We tend to have baptisms in our main services on a monthly basis, limiting the number of children baptised to three on each occasion. This year the dates for baptisms are planned as follows, which we hope will give you a number of options:

## When do Baptisms Happen?

Except in very special circumstances, baptisms happen at the main Sunday morning services at 10am (Holy Trinity) or 10.30am (St Mary's). This is because we want your child to be welcomed into the church by the people of God alongside your family and friends. Being a Christian is never just a private ceremony but always involves the new Christian family, the Church.

Because having a Baptism significantly changes the shape of the Sunday service for the whole congregation we tend to have Baptisms only once a month and we try to limit the numbers so that no more than three children are ever baptised at one service.

## About Godparents

All children who are being baptised will need to have one godfather and one godmother. We would encourage you to have a maximum of about 4 godparents.

All godparents must themselves have been baptised and it is recommended that godparents should also be confirmed. They can belong to any mainstream Christian Church (Roman Catholic, Methodist, Baptist, Greek Orthodox etc.) but they have to be happy to support the child being brought us as a member of the Church of England. We do recognise that families often have friends of other world faiths or who do not believe, and who would not be comfortable or able to make Christian vows. While they cannot be godparents, we can provide some special words for these important people to say that avoid compromise or confusion. Please speak to the clergy about this.

### Words for an unbaptised supporter to say:

I pledge my love, care and support for N this day. I welcome his/her baptism into the Christian faith and I promise to share the best of myself and the highest of my values with him/her, today and always.

# Preparing You for Your Child's Baptism

A member of the clergy will arrange to visit you during the couple of months before the day of the Baptism. We will talk about the promises that you will make and the meaning of different parts of the service. We will also try to answer any more general questions you may have about Christianity, faith or the church. We also will answer any practical questions about the day.

## Do I have to pay for a Baptism?

There is no charge for a baptism. We encourage you to consider becoming a regular giver to the Parish as a way of marking your own commitment to bringing up your child as part of the family of the local church.

## When Love is the Way

The words of Bishop Michael Curry at the wedding of Prince Harry & Meghan Markle also speak to our hopes for a better world for our children and the Way of Jesus Christ as a path to it.

"He didn't die for anything he could get out of it. Jesus did not get an honorary doctorate for dying. He didn't... he wasn't getting anything out of it. He gave up his life, he sacrificed his life, for the good of others, for the good of the other, for the wellbeing of the world... for us.

That's what love is. Love is not selfish and self-centred. Love can be sacrificial, and in so doing, becomes redemptive. And that way of unselfish, sacrificial, redemptive love changes lives, and it can change this world.

If you don't believe me, just stop and imagine. Think and imagine a world where love is the way. Imagine our homes and families where love is the way. Imagine neighbourhoods and communities where love is the way. Imagine governments and nations where love is the way. Imagine business and commerce where this love is the way. Imagine this tired old world where love is the way.

When love is the way - unselfish, sacrificial, redemptive. When love is the way, then no child will go to bed hungry in this world ever again. When love is the way, we will let justice roll down like a mighty stream and righteousness like an ever-flowing brook. When love is the way, poverty will become history. When love is the way, the earth will be a sanctuary. When love is the way, we will lay down our swords and shields, down by the riverside, to study war no more. When love is the way, there's plenty good room - plenty good room - for all of God's children.

Because when love is the way, we actually treat each other, well... like we are actually family. When love is the way, we know that God is the source of us all, and we are brothers and sisters, children of God.

My brothers and sisters, that's a new heaven, a new earth, a new world, a new human family.
